

Hello there Prana community! Prana has good news!

We re-opened the clinic on Thursday, April 30 to in-clinic patients. We will be on a modified schedule with a comprehensive safety protocol in place (see video below).

We will still be conducting Telehealth PT sessions for those who prefer them.

The three things we ask when attending your in-clinic PT session :

1. Complete the Pre-screen and Patient Authorization/Consent to Treat forms on our website: <https://www.pranapt.com/forms/>
2. Wear your own mask
3. Call Prana 717-390-4822 when you arrive

See Video for a visual of our clinic with new protocols:
